## BIO REKK PRESENTATION...

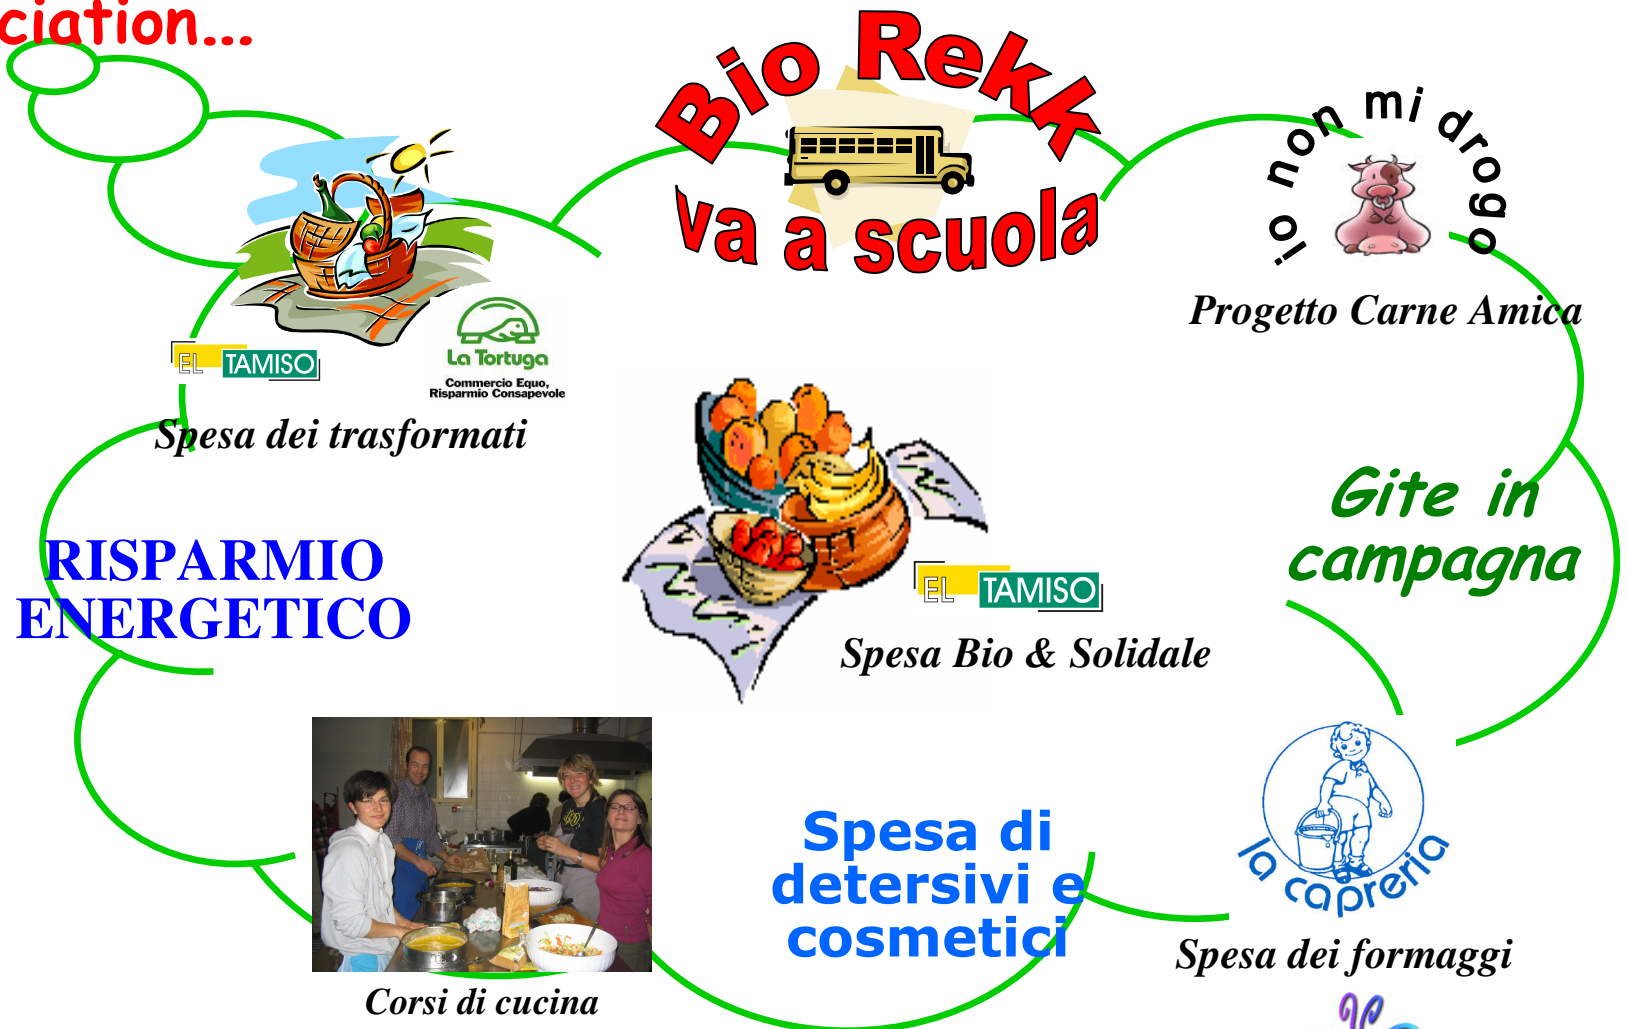

**Bologna, 07 September 2006**

## Goals

- Bringing this topics inside schools and other Associations with pedagogical and formative paths;
- Organising and promoting small purchasing groups of fair trade and organics products, giving them logistical and organizational support;
- Organising, for the member of Bio Rekk, weekly purchasing of fresh vegetable and fruit (respecting their periodicity) bread, eggs, tomato sauce, and monthly purchasing of fresh (cheese, meat, etc.) and longlife products (pasta, vegetable oil, wine, flour, washing powder, etc.) *all strictly biological certificated*;
- Organising for the families member, tour inside the farms in which Bio Rekk provide the products to built up direct relationship with the farmers and to know more about their job;
- Organising class on the nutrition and natural cuisine;
