

## **Paid Internship – Glyphosate Campaign, Brussels**

### **Internship description**

#### **Internship purpose**

The internship is focused primarily on supporting PAN Europe's policy work in 2022. You will be involved in PAN Europe's daily work with the European Commission, EFSA, Member States and our different NGO partners and contribute to our goal of reducing the harm of pesticides in the EU.

Working with a very motivated team of individuals, our experts, on agriculture, toxicology and policy-making subjects, you will gain valuable knowledge and experience in lobbying, communications and food systems.

#### **Main tasks**

- Assist with the follow-up of the [Save Bees and Farmers](#) European Citizens Initiative;
- Assist in the campaign on the revision of the Sustainable Use of Pesticides Directive 128/2009/EC (SUD)
- Assist in our campaign to prevent the renewal of glyphosate in the EU
- In particular, you will be requested to support the production and dissemination of communication materials, assist in the relation with our NGO partners, Members of the European Parliament, national public servants and citizens

#### **Location**

This position will be based in Brussels; possibility of working remotely from anywhere in Belgium (The successful candidate might be asked to be available/ present in the office as per the needs of the internship)

### **Person Specification**

#### **Education and training**

- A degree in Political Sciences, European Affairs or in Life Science (essential);
- A Master's degree in a related field (desirable).

#### **Experience & knowledge**

- Demonstrable experience in high-quality research (essential);
- A knowledge of [ECI](#), SUD and/or Glyphosate (desirable);
- Familiarity with relevant legal frameworks affecting the agriculture, such as the CAP etc. (desirable);
- A personal interest in the topic (essential).

### Key competences

- Fluent in English (essential);
- Excellent written and oral communication skills (essential);
- Ability to work independently and be proactive (essential);
- Positive attitude and a commitment to working for the environment (essential);
- Knowledge of other EU languages (desirable).

### Internship Arrangements

We ask that the intern commits to 5 days per week (38 hours), for a 6-month duration.

This internship is paid and should ideally start in January 2022. The legal framework under which we hire our interns in Belgium is that of the “Convention d’Immersion Professionnelle”. You can find more details [here](#) (available only in FR/NL). You will be also receiving Lunch Vouchers at a face value of 8,00 EUR per day.

### How to Apply

Please send us your CV as well as a Cover Letter (in English) clearly explaining how you meet all the essential requirements of this Internship and address them to **Katerina Iordanopoulou** at [info@pan-europe.info](mailto:info@pan-europe.info).

The deadline is **Friday, 5th November**. Due to the high volume of applications we expect to receive only candidates invited to an interview will receive a reply.
