Subject: Request for access to documents related to our internal review request on the renewal of the active substance cypermethrin.

Dear Mr Berend,

In accordance with Regulation (EC) No 1049/2001, Pesticide Action Network (PAN) Europe requests to receive the following documents related to our internal review request of the Commission implementing Regulation (EU) 2021/2049 renewing the approval of the active substance cypermethrin (registered under reference number Ares(2022)547872):

- All internal communications within the European Commission (inter-service/DG and between administrations and cabinets),
- The minutes of all European Commission meetings, the notes of phone calls related to our request
- All communications between the European Commission and the European Food Safety Agency (EFSA),
- All other inter-institutional communications,
- All external communications with stakeholders,

With this application we respectfully request access to the requested documents within the deadline foreseen by Article 7(1) of Regulation (EC) No 1049/2001.

Yours sincerely,

Salomé Roynel
